

New Game Release: Flying Colors: 20-line, 5 reel slot.

Flying Colors is an aerial themed WWI slot, highly decorated with medals of bravery and triumph. Surrounded by zeppelins dropping bombs and enemies approaching from all sides, make sure you know who your allies are and remember what you're fighting for.

Flying Colors features an exciting dogfight bonus round, which pits you against an unknown total number of enemies in aerial combat. The more kills you get, the more you win – but you'll have to stay sharp and think fast in the heat of battle, because not all war stories have a happy ending.
